

Baca[®] Oil-Absorbent Pads

Code: **AB5440**

10
pack

A fast-acting, heavy-duty pad suitable for a variety of oil spills.

The high tensile-strength polypropylene fibre ensures the pad floats to full saturation, resistant to tearing and disintegration

- The pad's hydrophobic material absorbs oil and repels water
- Suitable for all fuels and hydrocarbons - indoors and outdoors
- Safe disposal - with waste bags and ties
- Dimensions: 40 x 50cm
- Comes with waste bags and ties for safe disposal
